The solicitation will be made primarily by mail, however, the directors, officers and employees of the Corporation may also solicit proxies by advertisement, by telephone, by facsimile, through the Corporation's transfer agent, Computershare Trust Company of Canada, or in person. The Corporation will, upon request, reimburse broker-dealers, banks, custodians, nominees and other fiduciaries for their reasonable expenses incurred in forwarding proxy material to beneficial owners of the Corporation's shares. Unless otherwise indicated, the information contained herein is given as of July 20, 2001.

APPOINTMENT OF PROXYHOLDER

The persons named in the enclosed form of proxy are officers of the Corporation and shall represent management at the Meeting. A shareholder desiring to appoint some other person (who need not be a shareholder of the Corporation) to represent him or her at the Meeting may do so either by inserting such other person's name in the blank space provided in the form of proxy or by completing another form of proxy and in either case by delivering, at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) thereof, the completed form of proxy addressed to the Secretary of the Corporation, c/o Computershare Trust Company of Canada, 100 University Avenue, 11th Floor, South Tower, Toronto, Ontario, M5J 2Y1, or to the Chairman or the Secretary of the Meeting at the beginning of the Meeting or any adjournment(s) thereof.

A proxy may be revoked by a shareholder (or if the shareholder is a corporation, by a duly authorized officer or attorney thereof):

- (a) by attending the Meeting in person and personally voting the shares represented by the proxy; or
- (b) by signing another form of proxy bearing a later date and depositing it with the Secretary of the Corporation; or
- (c) as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy, by signing a written notice of revocation and delivering it to the Chairman or the Secretary of the Meeting; or

EXERCISE OF DISCRETION BY PROXYHOLDER

The common shares represented by the accompanying form of proxy will be voted or withheld from voting or voted for or against on any ballot that may be called for in accordance with the instructions of the shareholder executing the proxy and if such shareholder specifies a choice with respect to any matter to be acted on at the Meeting, the common shares will be voted accordingly. In the absence of such instructions, such shares will be voted (i) on the election of the directors, in favour of the directors named in this Management Proxy Circular; (ii) on the appointment of the auditor, in favour of the re-appointment of KPMG LLP as the auditor of the Corporation and to authorize the directors to fix the remuneration of the auditor; (iii) on the special resolution to change the name of the Corporation to Mad Catz Interactive, Inc., in favour of such resolution; (iv) on the ordinary resolution authorizing an amendment to the Corporation's incentive stock option plan to increase the maximum number of common shares reserved for issuance upon the exercise of options under such plan from 4,000,000 to 6,000,000 common shares, in favour of such resolution; and (v) on the ordinary resolution to adjust the exercise price of an aggregate of 912,000 issued and outstanding options to \$0.84 per share, in favour of such resolution.

A simple majority of the votes cast at the Meeting is required to carry any matter proposed to be placed before the Meeting for a vote other than the special resolution to change the Corporation's name which requires a majority of two-thirds of the votes cast at the Meeting in order to be approved.

The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting or other matters that may be properly come before the Meeting. At the time of the printing of this Management Proxy Circular, management knows of no such amendments or other matters to come before the Meeting other than the matters specifically identified in the accompanying Notice of the Meeting. If, however, amendments or other matters properly come before the Meeting or any adjournment thereof, the persons designated in the accompanying form of proxy will vote thereon in accordance with their judgment pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Each shareholder of record at the close of business on August 1, 2001 (the "record date") will be entitled to one vote for each common share of the Corporation held by such shareholder except to the extent that such shareholder has transferred any common shares after the record date and the transferee of such common shares establishes proper ownership and demands, not later than 10 days before the Meeting, to be included in the list of shareholders entitled to vote such common shares. A tender of a certificate to the Corporation's transfer agent for transfer shall be deemed to constitute such a demand.

The authorized share capital of the Corporation consists of an unlimited number of common shares without nominal or par value, an unlimited number of Class A Preferred shares without nominal or par value and an unlimited number of Class B Preferred shares without nominal or par value. As at July 20, 2001 the Corporation had 48,269,701 common shares issued and outstanding and had no Class A Preferred shares or Class B Preferred shares issued and outstanding.

To the knowledge of the directors and officers of the Corporation, no person or company beneficially owns, directly or indirectly, or exercises control or direction over more than 10% of the issued and outstanding common shares of the Corporation as at the date hereof. Subject to regulatory approval, Mr. Patrick S. Brigham, the Chairman of the Board and a director of the Corporation, has agreed to convert his outstanding loan to the Corporation in the

aggregate principal amount plus accrued and unpaid interest thereon of \$5,173,427.70 into 4,247,478 common shares in the capital of the Corporation at an issue price of \$1.218 per share. Upon conversion of this loan, Mr. Brigham will own 8,267,475 common shares representing 15.7% of the issued and outstanding common shares of the Corporation.

At the Corporation's annual and special meeting held on June 20, 2000, shareholders ratified the adoption by the Board of Directors of a shareholder rights plan.

Common Shares

Each common share of the Corporation entitles the holder to one vote at meetings of the shareholders of the Corporation and, subject to the prior rights of holders of Class A Preferred shares and Class B Preferred shares, to receive any dividends declared by the Board of Directors of the Corporation and the remaining property of the Corporation upon liquidation, dissolution or winding up.

Class A Preferred Shares

The Class A Preferred shares do not entitle the holder thereof to vote at meetings of the shareholders of the Corporation except when dividends are in arrears. However, holders of Class A Preferred shares have a priority over the Class B Preferred shares and common shares of the Corporation with respect to the right to receive the remaining property of the Corporation upon the liquidation, dissolution or winding-up of the Corporation and the right to receive dividends. The Class A Preferred shares are issuable in series in such number and having such designation, rights, privileges, conditions and restrictions as fixed by the Board of Directors from time to time.

Class B Preferred Shares

The Class B Preferred shares entitle the holder thereof to vote at meetings of the shareholders of the Corporation as well as to receive dividends. In the event of the liquidation, dissolution or winding up of the Corporation or other distribution of assets among shareholders for the purpose of winding up its affairs, holders are entitled to receive \$0.01 per Class B Preferred share before any distribution to the holders of common shares and thereafter, the holders of Class B Preferred shares and common shares are entitled to share *pro rata* and *pari passu*. The Class B Preferred shares are convertible into common shares of the Corporation, on a share for share basis, and redeemable in accordance with a formula provided in the Articles of the Corporation.

VOTING BY BENEFICIAL SHAREHOLDERS

The information set forth in this section is important to many shareholders as a substantial number of shareholders do not hold their common shares in their own name.

Shareholders who hold common shares through their brokers, intermediaries, trustees or other nominees (such shareholders being collectively called "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the share register of the Corporation may be recognized and acted upon at the Meeting. If common shares are shown on an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases the name of such Beneficial Shareholder will not appear on the share register of the Corporation. Such common shares will most likely be registered in the name of the broker or an agent of the broker. In Canada, the vast majority of such common shares will be registered in the name of "CDS & Co.", the registration name of The Canadian Depositary for Securities Limited, which acts as a nominee for many brokerage firms. Such common shares can only be voted by brokers, intermediaries, trustees or other nominees and can only be voted by them in accordance with instructions received from Beneficial Shareholders. As a result, Beneficial Shareholders should carefully review the voting instructions provided by their broker, intermediary, trustee or other nominee with this Management Proxy Circular and ensure they communicate how they would like their common shares voted in accordance with those instructions.

Applicable regulatory policies require brokers and intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Each broker or intermediary has its own mailing procedures and

provides its own return instructions to clients. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, intermediary or nominee is limited to instructing the registered holder of the relevant common shares on how to vote such shares on behalf of the Beneficial Shareholder. Most brokers now delegate responsibility for obtaining instructions from clients to Independent Investor Communications Corporation ("IICC"). IICC typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to IICC or follow specific telephone or other voting procedures. IICC then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of common shares at the Meeting. A Beneficial Shareholder receiving a voting instruction form from IICC cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to IICC or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, intermediary or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote common shares in that capacity. As a result, Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for a registered Shareholder should contact their broker, intermediary or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

Options Granted to or Exercised by Named Executive Officers

The Corporation has an incentive stock option plan (the "Option Plan") the terms of which, together with particulars of options granted to and exercised by Named Executive Officers during the financial year ended March 31, 2001, are described below.

Options to purchase common shares may be granted under the Option Plan to directors, officers, employees or other personnel of the Corporation or any of its subsidiaries, as determined by the Board of Directors, at a price to be fixed by the Board of Directors, subject to limitations imposed by any stock exchange on which the common shares are listed for trading and any other regulatory authority having jurisdiction in such matters. The common shares subject to each option shall become purchasable at such time or times as may be determined by the Board of Directors. An option not exercised prior to the date that is five years from the date of grant of such option shall automatically expire and may expire on such earlier date or dates as may be determined by the Board of Directors (the "Option Expiry Date"). Any common shares not purchased by the Option Expiry Date may thereafter be reallocated in accordance with the provisions of the Option Plan. Options are non-assignable and non-transferable by the optionholder and shall be exercisable during the optionholder's lifetime only by the optionholder. The Board of Directors may make such arrangements as it deems advisable for the exercise of an option by an optionholder who has ceased to be a director, officer, employee or other personnel of the Corporation or any of its subsidiaries, or by the estate or heirs of the optionholder, subject to any limitations imposed by any stock exchange on which the common shares of the Corporation are listed for trading or any regulatory authority having jurisdiction in such matters. The aggregate number of the Corporation's common shares reserved for issuance to any one individual under the Option Plan and any other share compensation arrangement may not exceed 5% of the issued and outstanding common shares. The Corporation does not provide any financial assistance with respect to purchases of shares under the Option Plan.

The options which may be granted to Insiders (as defined in the *Securities Act* (Ontario)) are restricted in accordance with the requirements of The Toronto Stock Exchange (the "TSE").

INTEREST OF INSIDERS IN MATERIAL TRANSACTIONS

The directors and officers of the Corporation are not aware of any transaction during the financial year ended March 31, 2001 or in any proposed transaction in which any director or senior officer of the Corporation, any proposed management nominee for election as a director, any insider of the Corporation or any associate or affiliate of any of the foregoing has or had a material interest.

STATEMENT OF CORPORATE GOVERNANCE PRACTICE

The TSE requires that each listed company disclose on an annual basis its approach to Corporate Governance.

Mandate of the Board

The Board supervises the management of the business and affairs of the Corporation and acts with a view to the best interests of the Corporation and to enhance shareholder value. The Board manages its own affairs, subject to the Articles and by-laws of the Corporation, regarding selecting a Chairman, nominating candidates for election to the Board, appointing committees and determining the compensation of directors.

Adoption of a Strategic Planning Process

The Board has the responsibility to appoint or replace the Chief Executive Officer, monitor the performance of the Chief Executive Officer and determine the compensation of the Chief Executive Officer. The Board is responsible for providing advice and counsel to the Chief Executive Officer in the execution of his duties. The Board also has responsibility to approve the appointment and remuneration of senior corporate officers and senior management, acting on the advice of the Chief Executive Officer and for ensuring that adequate provisions have been made for management succession. The Board also has the responsibility for monitoring the progress toward corporate goals and, in light of the changing circumstances, approving alternative plans.

Compliance with Policies and Procedures

The Board is responsible for approving all significant operating policies and procedures of the Corporation and establishes processes to determine that the Corporation is operating within the approved policies and applicable laws and regulations. The policies are intended to ensure the integrity of the Corporation's internal control and management information systems and that the principal risks of the business are identified and that appropriate strategies are in place to manage these risks.

Reporting to the Shareholders

The Board has the responsibility to ensure that the financial performance of the Corporation is adequately reported to shareholders and regulators on a timely and regular basis and that financial reports are made in accordance with generally accepted accounting principles. Further, the Board is responsible for ensuring that any other material information which has a significant impact on the value of the Corporation is communicated in a timely fashion. This communications strategy, which includes responding to inquiries from shareholders and the investment community, is coordinated out of the Chief Executive Officer's office to achieve consistency in the dissemination of corporate information. As well, information meetings are held with shareholders and the investment community as required. A minimum of four meetings of the Board are scheduled to be held in the financial year ending March 31, 2002. The frequency of meetings and nature of agenda items are appropriate to the state of the Corporation's affairs.

Composition of the Board

The Board is comprised of six directors, four of whom are considered unrelated directors, that is, independent of management and free from any other interest or business or other relationships which could reasonably be perceived to materially interfere with the directors' ability to act in the best interests of the Corporation, other than interests and relationships arising from shareholdings. Morris Perlis and David J. Killins are related directors because each is a member of management. Patrick S. Brigham, Cary McWhinnie, Donald Kingsborough and Donald Lenz are unrelated directors.

The Corporation does not have a significant shareholder within the TSE guidelines. No members of management are considered significant shareholders, as management shareholdings, in aggregate, are less than 50 percent. The directors feel that the membership on the Board of the four unrelated directors fairly reflects the investment in the Corporation by shareholders. The Board has an audit committee which consists of three members, all of whom are unrelated directors.

Independence from Management

Patrick Brigham is the Chair of the Board of Directors and Morris Perlis is the Chief Executive Officer of the Corporation.

Audit Committee Mandate

The Audit Committee reviews the audited annual financial statements of the Corporation and certain other public disclosure documents required by regulatory authorities and makes recommendations to the Board with respect to such statements and documents. This committee also makes recommendations to the Board regarding the appointment of independent auditors, reviews the nature and scope of the annual audit as proposed by the Corporation's auditors and management, and reviews with management the risks inherent in the Corporation's business and related risk management programs. This committee also reviews with the Corporation's auditors and management the adequacy of the internal accounting control procedures and systems. The Audit Committee members have direct access to the independent auditors. The Corporation does not have an internal audit department nor does it feel that one is currently required. The Audit Committee consists of Donald Lenz (Chairman), Cary McWhinnie and Patrick Brigham. This committee meets on at least an annual basis.

Compensation Committee Mandate

The Compensation Committee reviews the compensation paid to the Corporation's officers and senior management. During the financial year ended March 31, 2001, the Compensation Committee was comprised of three unrelated directors, Cary McWhinnie (Chairman), David Killins and Morris Perlis.

Director Training

In addition to extensive discussions with the Chairman of the Board with respect to the business and operations of the Corporation, all directors receive a record of the historical public information of the Corporation together with the prior minutes of the Board. Senior management is also available to answer any specific questions or to provide additional information as requested.

Decisions requiring prior Board Approval

In addition to matters which by law must be approved by the Board of Directors, management must seek Board approval for those transactions that would materially affect the financial position of the Corporation including the agreement to form strategic alliances, the annual business and financial plan and the capital spending plan. As well, any changes to senior management must first be approved by the Board.

PARTICULARS OF MATTERS TO BE ACTED UPON

ELECTION OF DIRECTORS

The Articles of the Corporation provide that the Board of Directors of the Corporation shall consist of a minimum of three directors and a maximum of 12 directors. The Board of Directors of the Corporation currently consists of six members. The Board of Directors of the Corporation has fixed the number of directors to be elected at the Meeting at five. Unless authority to vote is withheld, the persons named in the accompanying form of proxy intend to vote for the election of the five nominees whose names are set forth below. All of the nominees are now members of the Board of Directors of the Corporation and have been since the dates indicated.

Management does not contemplate that any of the nominees will not be able to serve as directors but, if that should occur for any reason prior to the Meeting, the persons named in the accompanying form of proxy reserve the right to vote for another nominee at their discretion unless the shareholder has specified in the form of proxy that his or her shares are to be withheld from voting on the election of directors. Each director elected will hold office until the next annual meeting of shareholders or until his or her successor is duly elected unless prior thereto he or she resigns or his or her office becomes vacant by reason of death or other cause.

In the absence of a contrary instruction, proxies received pursuant to this solicitation will be voted for the election of the directors named below.

The following table and the notes thereto state the names of all persons proposed to be nominated for election as directors, all other positions and offices with the Corporation, or any of its affiliates, now held by them, their principal occupations or employments, their periods of service as directors of the Corporation (including any predecessor thereof) and the approximate number of shares of the Corporation beneficially owned, directly or indirectly, or over which control or discretion is exercised by each of them as the date hereof.

APPOINTMENT AND REMUNERATION OF AUDITORS

The persons named in the enclosed form of proxy intend to vote for the re-appointment of KPMG LLP, Chartered Accountants, as the auditor of the Corporation, to hold office until the next annual meeting of shareholders and to authorize the directors to fix the remuneration of the auditor. KPMG LLP has been the auditor of the Corporation and its predecessors for six years.

In the absence of a contrary instruction, proxies received pursuant to this solicitation will be voted for the re-appointment of KPMG LLP, Chartered Accountants as auditor.

CHANGE OF NAME

This Meeting has also been called in part as a special meeting to consider, and if thought fit, to approve, with or without variation, as a special resolution of the Corporation, a resolution, the text of which is set out in Schedule "A" hereto, authorizing an amendment to the Articles of the Corporation to change the name of the Corporation to "Mad Catz Interactive, Inc."

The Corporation has focused its activities on the video game accessories business being carried on by it's wholly owned U.S. Subsidiary Mad Catz, Inc. Accordingly, management believes that the name "Mad Catz Interactive, Inc." is more reflective of the ongoing business of the Corporation.

To be approved, the special resolution authorizing the foregoing must be passed by at least two-thirds of the votes cast at the Meeting by the holders of common shares.

The persons named as proxies in the enclosed form of proxy intend to vote the shares represented thereby in favour of the special resolution unless the form of proxy has been marked "against". Management recommends a vote "for" the approval of the change of name of the Corporation to "Mad Catz Interactive, Inc.". If the resolution to change the name of the Corporation is approved, the Corporation will file Articles of Amendment to effect the change of name under the *Canada Business Corporations Act*.

INCREASE IN NUMBER OF STOCK OPTIONS

This Meeting has also been called in part as a special meeting to consider, and if thought fit, to approve, with or without variation, as an ordinary resolution of the Corporation, a resolution, the text of which is set out in Schedule "B" hereto, authorizing an amendment to the Option Plan to increase the maximum number of common shares reserved for issuance upon the exercise of options under the Option Plan from 4,000,000 to 6,000,000 common shares.

The purpose of the Option Plan is to secure for the Corporation and its shareholders the benefits of incentives inherent in share ownership by directors and employees.

The maximum number of common shares of the Corporation reserved for issuance upon exercise of options under the Option Plan is currently 4,000,000, which is approximately 8.3% of the issued and outstanding common shares as at July 20, 2001. As at July 20, 2001, options to purchase 2,922,416 common shares of the Corporation were outstanding under the Option Plan.

The Corporation is required to enter into a written agreement with each optionholder under the Option Plan setting out the option price and terms and conditions upon which such option may be exercised, all in accordance with the provisions of the Option Plan.

The Option Plan must comply with the rules of the TSE with respect to stock option plans and these rules require, among other things, that the number of shares reserved for issuance under a stock option plan be set at a fixed number. The number of common shares from time to time reserved under the Option Plan is not necessarily reflective of the number of options that are outstanding at any given time because options that are exercised do not replenish the number reserved, but is merely an indication of the number of potential shares in respect of which a listing fee has been paid.

At the Meeting, shareholders will also be asked to consider and, if deemed fit, to pass an ordinary resolution amending the terms of the Option Plan to increase the maximum number of common shares reserved for issuance upon exercise of options under the Option Plan from 4,000,000 to 6,000,000. If the amendment is approved, the maximum number of common shares reserved for issuance under the Option Plan will be approximately 12.4% of the number of issued and outstanding common shares of the Corporation as at July 20, 2001. This percentage is within the customary range for public companies in Canada of the percentage of an issuer's outstanding capital that is reserved for issuance under an employee stock option plan. To be effective, the resolution approving the amendment to the Option Plan must be passed by a majority of the votes cast at the Meeting. Unless otherwise directed, the persons named in the accompanying form of proxy intend to vote in favour of the passing of the resolution amending the terms of the Option Plan as stated above.

In order to provide suitable incentives to officers, directors, employees and consultants, the Board of Directors believes that it is in the best interests of the Corporation to increase the number of common shares reserved for issuance under the Option Plan from 4,000,000 to 6,000,000, and that shareholders should vote to approve the amendment to the Option Plan as described above. The TSE has accepted the proposed amendment to the Option Plan, subject to the receipt of the requisite shareholder approval of this amendment at the Meeting.

ADJUSTMENT OF CERTAIN OPTION PRICES

The Meeting has also been called in part as a special meeting to consider, and if thought fit, to approve, with or without variation, as an ordinary resolution of the Corporation, a resolution in the form set forth in Schedule "C" hereto authorizing the Corporation to adjust the exercise price of an aggregate of 912,000 existing and outstanding options to \$0.84 per share. Such options were issued between October 1998 and July 2000 at exercise prices ranging from \$0.94 to \$3.25 per share.

The Board believes that in order to continue to provide appropriate incentives to the optionees, who are the management and employees of Mad Catz, Inc. ("Mad Catz"), it is necessary to adjust the exercise price of the existing options to make them economically valuable and attractive. Management believes that the upcoming year has the potential to be a period of significant opportunity for Mad Catz and the Board believes that repricing the existing stock options will provide significant motivation for employees who have demonstrated faith in the future of Mad Catz by taking options in lieu of cash bonuses. As a staff retention incentive, the proposed adjustment is conditional upon the holder thereof agreeing not to exercise such options for 12 months from September 5, 2001. The Corporation has received approval of the TSE to the repricing of the options, conditional upon approval by the shareholders of the Corporation.

To be effective, the resolution must be passed by a majority of the votes cast by the holders of common shares at the Meeting. Unless otherwise directed, the persons named in the accompanying form of proxy intend to vote in favour of the resolution to reprice such options. In the event that the said approval is not forthcoming, the existing options will continue to be outstanding and will be exercisable by the holders thereof at their respective original exercise prices and will not be subject to the 12 month restriction on exercise.

In order to provide suitable incentives to these employees, the Board of Directors believes it is in the best interests of the Corporation to pass this resolution and that shareholders should vote in favour. The TSE has accepted the proposed adjustment to the option prices, subject to the receipt of the requisite shareholder approval at the Meeting.

OTHER BUSINESS

As of the date of this Management Proxy Circular, the Board of Directors and the management of the Corporation are not aware of any matters to come before the Meeting other than those matters specifically identified in the accompanying Notice of Meeting. However, if such other matters properly come before the Meeting or any adjournment(s) thereof, the persons designated in the accompanying form of proxy will vote thereon in accordance with their judgment pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

GENERAL

The contents and the sending of this Management Proxy Circular have been approved by the directors of the Corporation. The foregoing contains no untrue statement of a material fact and does not omit to state a material fact that is required to be stated or that is necessary to make a statement not misleading in light of the circumstances in which it is made.
